rasmus vangshardt offers an original interpretation of one of the most famous images of

literary history the theatrum mundi by applying methods of comparative literature hispanic studies and theology he reconsiders the world theatre s historical peak in early modern europe in general and the spanish golden age in particular the author presents a new close reading of pedro calderón s el gran teatro del mundo c 1633 36 and outlines the historical and systematic framework for a theatrum mundi of celebration this concept entails using art to justify human existence in the face of changing conceptions of the cosmos an early modern aesthetic theodicy and a justification of the world in that liminal space between drama and ritual by discussing historiographical theories of early modern europe especially those of hans blumenberg and bruno latour and through conversations with shakespearean drama and spanish golden age classics vangshardt also argues that the theatrum mundi of celebration questions traditional assumptions of great divides between the middle ages and early modernity and challenges theories of a european wide early modern sense of crisis

every human being knows that we are walking through life following trails whether we are aware of them or not medieval poets from the anonymous composer of beowulf to marie de france hartmann von aue gottfried von strassburg and guillaume de lorris to petrarch and heinrich kaufringer predicated their works on the notion of the trail and elaborated on its epistemological function we can grasp here an essential concept that determines much of medieval and early modern european literature and philosophy addressing the direction which all protagonists pursue as powerfully illustrated also by the anonymous poets of herzog ernst and sir gawain and the green knight dante s divina commedia in fact proves to be one of the most explicit poetic manifestations of the fundamental idea of the trail but we find strong parallels also in powerful contemporary works such as guillaume de deguileville s pèlerinage de la vie humaine and in many mystical tracts
